WORLD FROG DAY 2026

In honour of our school mascot, Keith the Frog, we all celebrated World Frog Day which took place on 20th March.

Mrs Whitecross and the Froggy Forum (our Pupil Council) did a lot of work to, firstly, consult with all the pupils and then collaborate to decide on their favourite ideas.

There was lots of learning about the life cycle of frogs and about how important frogs are to eco-systems.
Classes took part in 'froggy sports' and we saw some great art work. The canteen staff added lovely 'green' touches to enhance a special day.

All classes joined a frog hunt around the playground prepared by Leah and Tara in the canteen. The weather was kind and great fun was had by all.

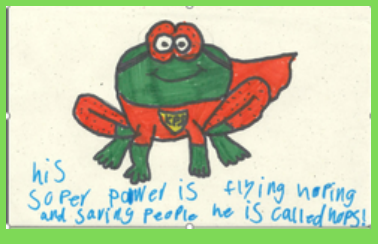
Everyone looked great coming to school dressed in green.

The Design a badge competition winners were:

P1-P3 Kara Milne
P4-P5 – Joel Laidlaw-Neil
P6-P7 – Catrina Milne

The Keith the Frog Superhero competition winners were:

P1-P3 Hasadina Konara Mudiyanselage
P4-5 – Ayla Wilson
P6-7 – Leon Dallas

The competitions raised £32.25 for Froggy Forum funds!


The day was a resounding success. When asked if we should repeat World Frog Day, the answer was a massive 'YES'.
