

LEARNING ACROSS THE 4 CONTEXTS AT KEITH PRIMARY SCHOOL: SEPT & OCT 2026

Opportunities for Personal Achievement

Our P5-P7s enjoyed a morning with Matt from Veolia. Veolia specialise in environmentally friendly waste management. This included information about how human waste is disposed of.

This term the pupils in the Beeches have really enjoyed having Mr. Watson, The Music Man, sing some of our favourite songs

Interdisciplinary Learning

Our P5-P7 classes took part in an online workshop where they learned about Tinkercad – an online 3D modelling programme.

P4C and P4-5M have been enjoying our weekly Dornell ranger visits- learning all about looking after our environment and surrounding- we have used our senses and explored things in different ways. Thanks to the Rangers for a super programme!

P2F have been learning about looking after our environment by picking up litter in the playground and disposing of it responsibly.

We are so lucky to have such fantastic outdoor spaces to enhance our learning opportunities. P1 love being outdoors!

P6T were learning about keeping a beat using the boom whackers

P3H have been reading the Owl Who Was Afraid of the Dark. They have come up with lots of adjectives to describe the dark!

LEARNING ACROSS THE 4 CONTEXTS AT KEITH PRIMARY SCHOOL: SEPT & OCT 2026

Opportunities for Personal Achievement

P5-6H attended the Boccia roadshow sessions, we thought it was really fun and accessible for all abilities.

P7G worked in teams, with IZAK9 cubes, to solve maths tasks and build their critical thinking skills.

Here we have P5BW who have been trying their hand at Boccia. Developing another means of personal achievement in a newer sport.

Interdisciplinary Learning

P4C have been enjoying the class novel of Wild Robot. As part of this we have taken our book up to the outdoor classroom. We learnt about the word Camouflage and enjoyed using our map reading skills to plot where our robots had hidden!

P4-5M went to the woods with the Dorenell Rangers and explored the environment using their senses.

They created sound maps while sitting quietly for 3 minutes, identified different bird calls, explored plants using their sense of smell, went on an unnatural trail to look for objects that didn't belong in the woods and were blindfolded and worked with a partner to explore the woods through their sense of touch.

All our pupils took part in assemblies by the NSPCC. Buddy, the NSPCC mascot encourages to Speak Out and Stay Safe.

P6-7H have enjoyed learning about Children's Rights and linking them to real world events by watching Newsround.

P2D have started looking at what a community is and what a community needs. They discussed the different things a community needs and then worked together in small groups to build some of them. They then created their own community together.

P1EM have been enjoying learning our phonic sounds. Here are some of the things we got up to when learning the sound of the day 'p'. Picking pirates treasure, pizza shops, making potions and puppet shows!

P3D have been learning to identify the planets of the solar system and put them in order. They helped to make an out-of-this-world Space-themed display too.
