

Linkwood Primary School

Parent Council

Linkwood Parent Council is an integral part of the Linkwood School community. We do our best to represent the views of all parents/carers and to help all parents/carers become involved and engaged in school life and their child's learning.

There are a variety of ways in which we do that and, we hope, increasingly more coming with the restrictions lifting! We'll continue to develop a Parent Council newsletter to keep everyone informed but you can also gather information from our dedicated Facebook page.

We are always pleased to hear from parents/carers. We need to know your views to represent you the best we can. Please do contact us with your thoughts, ideas or questions at any point through the Facebook page.

As always, we welcome all parents/carers who would like to get involved. Come along to any of our meetings or get in touch if you would like to help with a particular project or area of parent council work. We particularly need volunteers to help with fundraising. We look forward to hearing from you.

Recent News

Earlier in the term we held our AGM and first Parent Council meeting for the Academic year. The minutes for the meetings are available from our Facebook page but some particular highlights are listed below.

- With two new members our council size grew whilst remaining stable.
- Our bank balance currently sits at £1386.35 our lowest for a minimum of 4 years (covid related). We aim to **fundraise** more this year
- In partnership with the school, Moray Sports Centre and Moray Council we hope to improve the safety for our pupils on their journey to and away from school
- In partnership with the school we hope to create football teams for our children to enjoy should they wish.
