

# Linkwood Primary School Improvement Priorities Session 2025-26

## Priority 3 Leadership of Learning

- Embed Play Policy
- Ensure high quality play and exploration time is planned across the whole school.
- Plan for high quality opportunities for creativity across the Expressive Arts
- Begin to engage with 'Creativity Toolkit'
- Embed Learning Adventures programme
- Create 'Meta Skills' progression
- Further develop and enhance outdoor learning opportunities for all

## Priority 2 Supporting All Learners

- Continue to develop our nurture provision
- CIRCLE resource to be used consistently by all staff. Focus on consistent visuals.
- Staged Intervention process and data will inform planning
- Equality and Diversity curriculum embedded
- Transition Policy to support all learners

## Priority 1 Learning, Teaching and Assessment of Literacy and Numeracy

- Embed National Writing approach across all P3-7 classes to raise attainment in writing
- Further develop use of manipulatives in maths across all stages to support attainment
- Engage with National Numeracy Schools and Families programme
- Develop Linkwood Maths and Numeracy policy
- Increase use of technologies to support practice of basic skills to improve attainment
- Begin to explore 'Phases of learning' with learners so they are clear of when and how to ask for help.
- Further increase skills in self and peer evaluation and feedback.
- Robust use of Data will inform teacher planning.
- Clear assessment calendar
