

Linkwood Primary School Improvement Priorities Session 2026-27

Priority 3

Leading Learning through Play and Creativity

- Develop high-quality learning through play
- Give children a stronger voice in planning their learning
- Use observation to identify progress and next steps
- Build independence, creativity and problem-solving skills
- Extend enquiry, play and outdoor learning experiences

Priority 2

Supporting Learners

- Create nurturing, inclusive classrooms using CIRCLE
- Strengthen individual plans and involve families
- Celebrate equality, diversity and children's rights
- Promote positive relationships and prevent bullying
- Make transitions smooth and well supported

Priority 1

Learning, Teaching and Assessment of Numeracy and Maths

- Make maths active, playful and full of curiosity
- Build confidence, resilience and positive attitudes
- Help children explain their thinking and use helpful tools
- Connect maths to everyday life, careers and the wider world
- Use assessment information to plan the right support and challenge
