Resources Funded by Parent Council

£500 that was donated to each class has been greatly received and each class has benefitted from new resources (books, lego, diamond art, role play, etc)

Dexter read out a letter that his class had written asking the parent council to fund security measures for the school.

Stacey is going to look into CCTV for the playground and a higher fence.

In previous years the Parent Council has funded the end of term activities - Outfit Moray and Earth time. P7's to be consulted to see if they still wish to do Outfit Moray or if they would prefer another activity.

Application has been put into Tesco to fund Fruity Friday.

Christmas Fayre

Gillian to take some kids to the bank before the Christmas Fayre to get floats.

The Parent Council is going to do a lucky squares competition at the Christmas Fayre. Pupil Parliament will write letters to local businesses asking for donations for prizes.

The Parent Council is going to do teas and coffees. Letters to be sent to Walkers, Deans and Tesco to ask for donations of shortbread/mine pies.

Cheryl is going to do Reindeer dust to sell at Christmas Fayre.

The Parent Council will have a homebakes stall at Christmas Fayre.

Fundraiser

Quiz night has been organised for Friday 6th March at the Golf Club. More details to be discussed at the next meeting.

Sponsored walk was also suggested as a fundraiser.

Rural Schools Links

It was suggested that we try and have links with other rural schools, this could be through sports days, quizzes, school football teams, etc - Stacey will get in touch with other schools.

Digital Profiling

Dexter explained what digital profiling is and how the P5/6/7 class have been using it. An open afternoon will be held in the future to inform parents about it.
