

Pilmuir P1 Transition

Week 3

Bear Hunt

Get your wellies on and hunt for a muddy puddle. See if you can make a 'Squelch, Squerch' noise. If you can't find a puddle you could make the same noise with jelly...

Make a bubble snowstorm. Your grown up can blow the bubbles and you run through the snowstorm 'Hoo! Woooo! Try to make bubbles with a silly sock.

Silly Sock Bubbles

Listen to the story again – this time narrated and accompanied by a symphony orchestra, composed by Ian Stephens.

Bear Hunt Music

We're going on a sound hunt – If you are out for a walk with your bear you could listen for the different sounds you hear. You could take a sound stick (wooden spoon) with you and experiment with the sound stick to track down outdoor sounds.

The sound hunt!
