

Pilmuir P1 Transition

Week 4

Bear Hunt

With a grown up can you go on your own hunt? Walk to Pilmuir Primary School – are there roads? Trees? Signposts? Traffic lights? Talk about what you see on the way.

Make a journey stick for your hunt; wrap elastic bands or string round your stick. Tuck in things you collect on the way. Can you talk about the things you collected when you are home? Journey Stick

When we go on a journey, we often pack a bag. Can you pack a bag for going to school? What do you need? What would your bear need? Share your ideas with your grown-up.

Put a bag in the window for your bear – a real bag or a picture – so that other bear hunters can see.

Maybe you want to add pictures of what you have packed for your journey.

We're all going on a school hunt!
