

# Pilmuir P1 Transition

## Week 5

### Bear Hunt

Going somewhere new might feel scary, that's ok. With a grown-up's help, can you write to the Pilmuir Bear and ask him any questions you have?

You can email them or deliver them to the school.

Using any materials you have at home, make a bear puppet.

You can send a picture to us at school and put it in your window next to your bear.

Can you draw a picture of Pilmuir Primary School?

You could put it in the window next to your bear.

Near the end of the story, the family come across a cave. Can you make your own bear den at home?

You could make a den for you or your bear.

Tweet your dens to us!

Bear needs a hug!
