School Car Park

Can I thank all parents and carers who are following the rules of the school car park it really has made things easier when we work together. However we have had a few instances of carers not following our rules and being aggressive towards staff. Whilst I appreciate that we may be asking you to go a longer route please be assured that this is for the safety of your children. I would appreciate if everyone continued to show respect towards the staff who are trying to ensure the safety of everyone.

Voluntary one way system

I have been made aware of a one way system which was in place on a voluntary basis previously. To try and limit the busy traffic on Claremont Crescent we are asking that between 8.30am and 9.30am and again between 2.30pm and 3.30pm we initiate a voluntary one way system which would require vehicles to enter as directed on the following page

The gate from Dalry Road closed due to a broken fence

Christmas Dates

- Every Friday in December the children are welcome to wear Christmas jumpers, pjs
There is no donation required for this. We are however supporting the Fit Ayrshire Dad's group and we are asking if we can have a tin of food as a donation on Friday 17th December. Donations should be placed in the boxes at the shelter on this day.

Christmas jumper and Party Outfit

Have you cleared out your child's wardrobe and have Christmas jumpers or party outfits that no longer fit? Then please hand in to the shelter and we will ensure these are made available for families to pick up if they are required.

Covid

We are unfortunately still living with this dreadful virus. Can I ask that if your child is displaying any of the symptoms please do not send them to school and arrange for your child to get a PCR test.
