WHAT WE ARE LEARNING

Numeracy and Mathematics – we will be working with bigger number ranges, the four operations (+, -, x, and ÷) and for mathematics our focus will be measure, information handling and 3D shape. Literacy – our class novel is *The Train to Impossible Places*. We will also be learning strategies to help us read and understand non-fiction texts. Our focus for writing will be recounts of events or personal experiences. HWB – we will be learning new skills in athletics. IDL – we will be learning through Lego.
