

# Time off School

Usually I go to school Monday, Tuesday, Wednesday, Thursday and Friday.

Sometimes the schedule changes, and I don't go to school.

Sometimes there are holidays or special days off, or days when I am not feeling well. There is no school on these days.

The Government might decide to close all schools in the UK due to the Coronavirus. This will include my school.

This would be so they can reduce the chance of getting sick.

This is a very unusual situation and everybody is finding it a bit tricky.

I can ask my parents if there is no school

My parents will tell me if I am going to school or if it is closed.

I can try and stay as healthy as possibly by washing my hands when I need to and using a tissue if I cough or sneeze.

A day off school is a change in schedule, but that is okay.

It means I can do school work from home and see my favourite toys.
