

## Downloading Outlook App (iOS/Android Devices)

Download 'Outlook App' from your device's App store or equivalent.

Once downloaded, open app.

When prompted to add email address/account, put in your child's Glow email address e.g. [gw18smithjohn@glow.sch.uk](mailto:gw18smithjohn@glow.sch.uk)

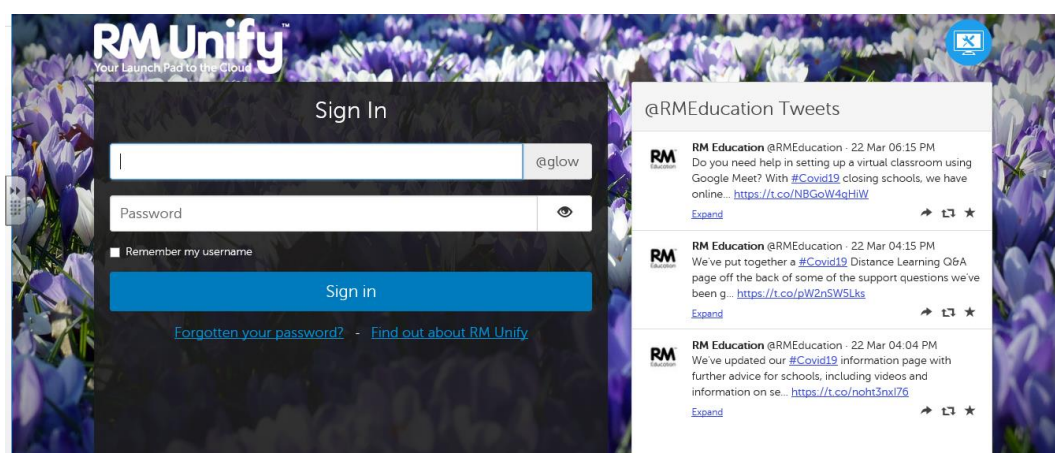

Select 'Add account'.

If prompted, select Email provider 'Office365'.

Office 365

If prompted, enter child's Glow email address again. This should then take you to the Glow login page.

Download Outlook App here:
