

# Division: Sharing (finding the 'parts')

Investigation

**8 16 21** cookies (choose 1) have to be shared equally between 4 children. How many cookies should they each get?

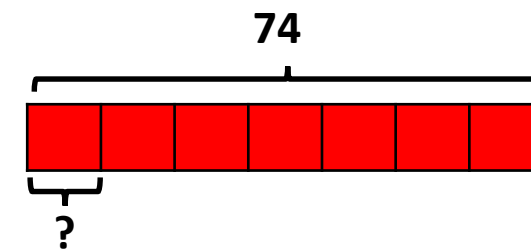

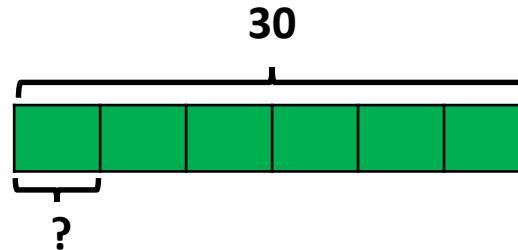

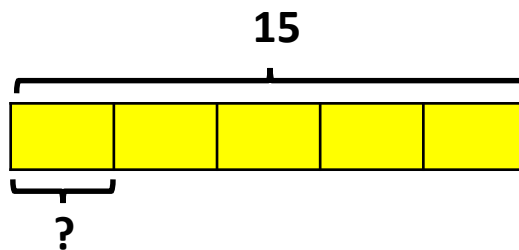

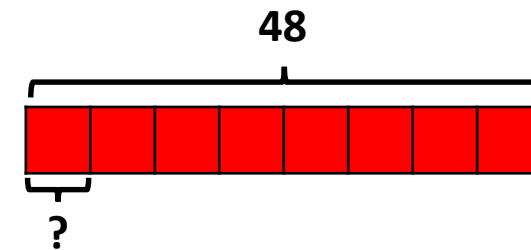

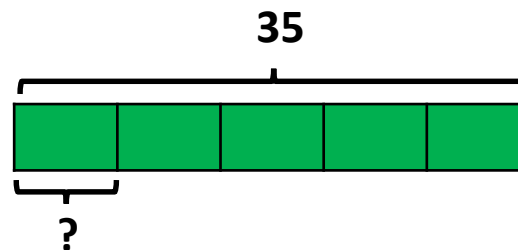

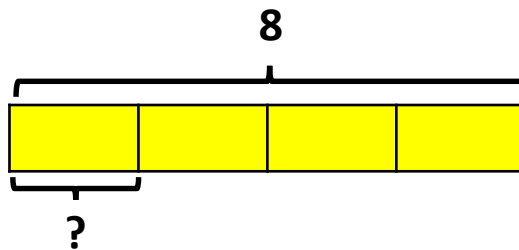

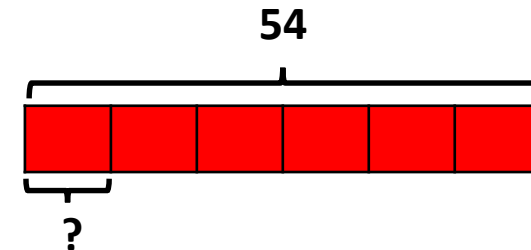

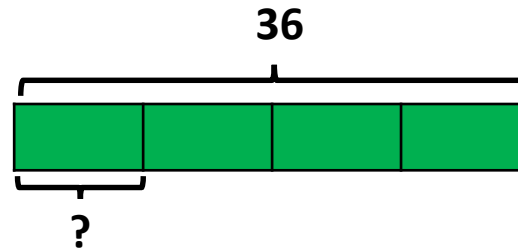

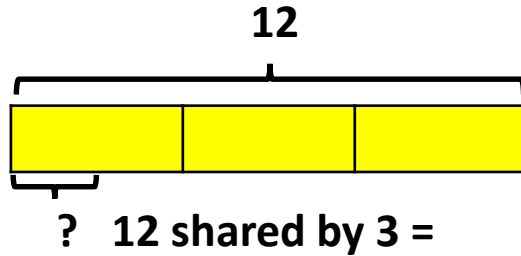

Can you show how you solved this problem using resources and by drawing pictures?

# Division: Sharing (finding the 'parts')

Challenge A

1. Solve the following by sharing the whole bar number at the top by the number of parts there are.

2. Make up 3 problems for someone else to solve.
