

# You Said – We Did

'I can not thank the staff enough – the work you are all doing is incredible.'

'I want to thank the staff for checking in with my child and also me – it really meant a lot.'

*Thank you – the wellbeing of all our young people and their family is at the route of all that we do.*

'My eldest daughter is S5 and is loving getting regular, face to face live lessons with her teachers, my younger son is in S2 and not receiving this – will this happen?'

*We are awaiting the announcement on February 2<sup>nd</sup> from the Scottish Government and then will make a decision regarding regular check ins with S1 and S2 pupils. We now have live lessons for S3-S6 pupils with fortnightly assemblies for all year groups.*

'Can we get stationary for our children as my son doesn't have any more room in his maths jotter?'

*Yes. Stationary is available from the school. Please email [gw08balmerallison2@glow.sch.uk](mailto:gw08balmerallison2@glow.sch.uk) should you require any or drop by the school to collect.*

'There are too many platforms and we are overwhelmed with the work.'

*Along with other schools in the authority we had issues accessing vscene at the start of term so have now moved to other platforms. All information will be provided through GLOW emails to all pupils. If you or your young person feels overwhelmed any time please get in touch as we want to support you in any way that we can - your wellbeing is the most important thing.*

'I have been amazed to hear all of the teachers without exception asking my son and daughter how they are and checking in on them – it is so nice to hear.'

*We are wanting to know all of our young people are ok and if we can support them in any way. Auchenharvie is more than just a school, it is a community and we want to do all we can for our families.*

*Respect*

*Equality*

*Determination*
