

9 May 2023

Dear Parent/Carer

In February 2023, a team of inspectors from Education Scotland visited Auchenhavrie Academy. During our visit, we talked to parents/carers and young people and worked closely with the headteacher and staff.

The inspection team found the following strengths in the school's work.

- The headteacher, senior leaders and staff have very successfully developed and maintained a supportive, safe and positive environment for learning. Young people are eager participants in their learning and demonstrate high levels of engagement.
- Staff have a very strong understanding of the needs of all young people in their community. They promote equity successfully by having high aspirations for all young people. This has resulted in nearly all young people moving on to positive destinations, such as university, college or work.
- Young people are very aware of the skills they are developing and are well motivated to learn across different contexts.
- The headteacher and senior leaders have led effectively a positive and sustained approach to improving the attainment and achievements for all young people.

The following areas for improvement were identified and discussed with the headteacher and a representative from North Ayrshire Council.

- Senior leaders and staff should continue to work together to increase further the consistency of high-quality learning and teaching across the school.
- Teachers should improve further their approaches to meeting the learning needs of all young people, including the most able.

We gathered evidence to enable us to evaluate the school's work using quality indicators from [How good is our school? \(4th edition\)](#). Quality indicators help schools, local authorities and inspectors to judge what is working well and what needs to be improved. Following the inspection of each school, the Scottish Government gathers details of our evaluations to keep track of how well Scottish schools are doing.

Here are Education Scotland's evaluations for Auchenharvie Academy

Quality indicators	Evaluation
Learning, teaching and assessment	very good
Raising attainment and achievement	very good
Descriptions of the evaluations are available from: How good is our school? (4th edition), Appendix 3: The six-point scale.	

A more detailed document called Summarised Inspection Findings (SIF) will be available on the Education Scotland website at: [Reports page | Inspection reports | Education Scotland](#)

What happens next?

We are confident that the school has the capacity to continue to improve and so we will make no more visits in connection with this inspection. North Ayrshire Council will inform parents/carers about the school's progress as part of its arrangements for reporting on the quality of its schools.

Stuart Cathro
HM Inspector
