

## Has your child reached school leaving age?

**Do you** have a young person considering their options? Whether to stay on at school, go on to college, start a job or look for work?

**Are you** unsure how any of these decisions might affect your family income eg child benefit, tax credits, universal credit or EMA?

Then the **Money Matters team is here to help** navigate the **financial implications** of the options by offering confidential, impartial advice and support as you go through these options and make decisions.

You can contact Audrey the Welfare Rights Officer from Money Matters by phone, email or via the contact us form.
