Learning Journals - We need your feedback.

If you have any feedback on our learning journals please pass onto your child's Key Worker. We look forward to hearing from you.

Information

We have booked McDougall's for our Christmas panto at the Harbour Arts Centre in Irvine on the last week of term before Christmas. More information including costs will follow.

Learning this month.

This month we will be focusing on Health and Wellbeing. Making children feel safe and secure in our environment. Key Workers will be getting to know your child and you. If you have any questions please ask. Key Workers will be asking you to make an appointment for learning conversations where they will discuss your child's targets.
