

Bernard is very excited to come to school. After leaving his big people in the playground, he comes into the P1 cloakroom. He finds his own peg and hangs up his jacket.

Then he walks round to his fantastic big classroom. There he meets his new P1 teachers - Miss Clarkson and Mrs Roulston and also Mrs Robin, who will be helping us all in P1 this year.

He sees where to put his school bag and his lunch box if he has one.

Bernard meets the other boys and girls in his class and he joins them on the mat, where they are all sitting, ready to learn.

Then the class starts the play activities for the morning. Bernard joins in with his classmates to do some building, some writing and he gets to play in the house corner too.

At lunch time, Bernard goes along to the lunch room to see what he would like to eat for lunch.

There is always lots of choice and Bernard decides to have chicken curry.

After lunch, Bernard goes to see the gym hall.

Then he visits the library where the boys and girls can go to choose a book and to hear a story.

He sees inside the music room.

He visits the front office.

He finds out where the medical room is, in case he falls at playtime or lunchtime.

Bernard has a great day at school and he is already excited to come back tomorrow to meet his friends and to learn lots of new things.
