1. Introduction

Devolved School Management (DSM) was introduced in 1993 to enhance and improve the management of resources at school level. DSM Guidelines Standards in Scotland's Schools etc Act 2000.

The most recent [DSM Guidelines](#), published in 2019, seek to build and improve on previous guidelines and reflect and integrate with the Education Reform Programme and priorities emerging from the Scottish Government and COSLA Education Reform Joint Agreement of 2018.

The DSM principles, agreed by the Fair Funding Reference Group are:

- Subsidiary and Empowerment
- Collaboration
- Accountability and Responsibility
- Clarity and Equity

These principles reflect the National Improvement Framework aims of excellence through raising attainment and achieving equity. The principles also fully endorse those proposed in the Fair Funding consultation:

- Support excellence and equity – ensuring every child and young person has the same opportunity to succeed
- Be fair – placing the needs of all children and young people at the centre
- Be simple, transparent and predictable – ensuring the costs of delivering education can be easily understood and explained and that schools are able to manage and plan ahead with certainty
- Deliver value for money – ensuring that every penny spent is used effectively

2. Budget Overview

The Council receives the bulk of its funding from the Scottish Government through Aggregate External Finance (AEF). This funding is broken down into 3 constituent parts: General Revenue Grant (GRG), Non-Domestic Rates Income (NDRI) and Specific Grants. The Council sets the budget each year, in February, which is linked into the 3 strategic themes – Aspiring Communities, Inspiring Places and A Council for the Future. Services must ensure that financial plans align with the mission, vision and priorities within the Council Plan 2019-2024 and service operational plans. Budgets are aligned to the delivery of these plans and should be developed accordingly. Budgets are calculated for the various sections within all services including Education.

School budgets for teachers are constructed using average teachers' salaries with promoted structures funded to actual salaries. School budgets for local government staff are constructed using actual salaries.

The method/formula for allocating staff to schools is detailed within appendices 3 to 12 and will take local circumstances into account where appropriate.

The Council participates in the Teacher Induction Scheme (TIS) which provides probationer places for newly qualified teachers across Scotland. Finance will review the funding received from the Scottish Government for TIS on an annual basis and ensure that sufficient funds are transferred to the Education Service to cover salary costs of probationer teachers.

Further information on the Council's budget setting process is detailed within the [Budget Holders Manual](#) and the [Code of Financial Practices](#).

3. Areas of Expenditure Devolved and Not Devolved

Head Teachers/Heads of Centre are given maximum flexibility over their budgets, however there are areas of expenditure that are generally not considered suitable for devolution. The reasons for this include but are not limited to: areas outside the influence of the Head Teacher/Heads of Centre; areas that are too bureaucratic; have unacceptable levels of risk; benefit from economies of scale; require professional expertise; and are complex by their nature.

Areas of expenditure not devolved to schools and met from the central Education budget are detailed in Appendix 1.

The budget for employee salary costs (including employer's national insurance and pension costs) is provided to schools based on the method/formula for allocating staff to schools detailed within Appendices 3 to 12.

The devolved school budget for all other expenditure at school level is provided as a monetary value. This is calculated as a per capita allocation based on pupil census numbers, with an additional sum for island schools and small schools. Full details of the method of allocating the school budget is detailed within Appendix 2.

At the start of the financial year, and following appropriate consultation, Head Teachers/Heads of Centre are required to vire their devolved school budget to the relevant budget lines in line with their planned spend. In accordance with audit requirements, details of the devolved budget allocation should be processed by the school's Education Business Officer and submitted to the Head of Service (Education) by 31 May each year.

4. General Information on Devolved School Management

4.1 Financial Regulations

[Codes of Financial Practice](#) are issued under the authority of the Council's Financial Regulations. It shall be the duty of each Head of Service to ensure that the requirements of the Codes of Financial Practice are made known to the appropriate staff within their Service and that they are adhered to.

4.2 Best Value Principles

The Best Value framework supports continuous improvement in public services in Scotland and is a key foundation of the Scottish Government Public Sector Reform agenda. As part of this framework the Council must secure continuous improvement whilst maintaining an appropriate balance between quality and cost. This requires a strong financial management framework, supporting strategic financial planning and sitting alongside the performance management framework.

The [Corporate Procurement Strategy](#) document sets out the recommended activities and procedures required when purchasing all externally provided goods, services and works which Head Teachers/Heads of Centre must adhere to.

4.3 Local Authority Commitment to Devolved School Management

North Ayrshire Council is committed to empowering Head Teachers/Heads of Centre to make appropriate, and informed decisions to best meet their local need in accordance with the Council's policies, guidance and frameworks.

4.4 School Expenditure Within Wider Strategic Planning

Head Teachers/Heads of Centre are expected to ensure school expenditure is in accordance with their School Improvement Plan, supporting the Council's strategic plans, priorities and the National Improvement Framework.

4.5 Scottish Negotiating Committee for Teachers and Local Negotiating Committee for Teachers

The Scottish Negotiating Committee for Teachers (SNCT) determines the nationally agreed terms and conditions of service for Teachers and Associated Professionals. These terms and conditions of service are set out in the [SNCT Handbook of Conditions of Service](#) and Local Authorities / Head Teachers must adhere to these in their employment of teachers and associated professionals.

The Local Negotiating Committee for Teachers (LNCT) determines terms and conditions of service on matters devolved by the SNCT to local authority level. Head Teachers must adhere to [LNCT Local Agreements](#) in their employment of teachers and associated professionals.

4.6 Terms and Conditions of Service for Local Government Employees

The Scottish Joint Council for Local Government Employees determine the terms and conditions of service for Local Government Employees which are incorporated into local agreements reached by the Council and recognised trade unions. These are set out in the [Terms and Conditions of Employment for Local Government Employees](#) and Head Teachers/Heads of Centre must adhere to these in their employment of local government staff.

4.7 HR Policies and Procedures

The Council has a range of [HR Policies and Procedures](#) which cover Teachers and Associated Professionals and Local Government Employees. Head Teachers must adhere to these policies and procedures in their employment of staff.

This DSM Scheme and related appendices will be accessible on the North Ayrshire Council website. Head Teachers/Heads of Centre are responsible for ensuring that the DSM Scheme is published on school websites.

6. Training on the DSM Scheme

Head Teachers/Heads of Centre are required to attend the Council's Budget Holder & Code of Financial Practice training which includes training on the DSM Scheme. Briefings and updates on the operation of the DSM Scheme will be included as part of the regular programme for Head Teacher/Heads of Centre meetings.

Education Business Officers will be available to train Head Teachers/Heads of Centre on the use of the financial management system.

Training on the DSM Scheme will be made available to others, for example Elected Members and Depute Head Teachers/Depute Heads of Centre on an ad-hoc basis.

7. Consultation, Engagement and Transparency

7.1 Consultation and Engagement

The DSM Scheme has been developed in consultation and engagement with all stakeholders including Head Teachers, Heads of Centre, Finance and Trade

- HT Representative (Secondary)
- HT Representative (Primary)
- Senior Manager
- Education Resources Manager

Head Teachers/Heads of Centre are expected to form appropriate forums to consult with staff, parent councils, pupils and the wider community on appropriate matters which may include school staffing models, DSM decisions and allocation of departmental or class resources.

Head Teachers/Heads of Centre should consider applying a participatory budget model to engage their school and wider community in determining where relevant funds should be spent or invested.

7.2 Transparency

The Head of Service (Education) will provide regular updates to Head Teachers/Heads of Centre and key stakeholders on the Council's overall financial position and will engage with Head Teachers/Heads of Centre as part of the Council's annual budget setting process for the Education Service. Local

Authority decisions about education spending must give due regard to GIRFEC and the role of LA's as corporate parents.

Education Business Officers will provide monthly updates to Head Teachers on their devolved school budget and projected financial outturn. In addition, Head

Teachers will have access to the Council's Finance System to enable interrogation of budget and expenditure.

The Council will ensure that information on eligibility for free school meals; footwear and clothing grants and education maintenance allowance is available on the Council's website.

8. Collaboration

Local Priorities

The Council's priorities are set out in the Council Plan and supporting strategies.

Head Teachers/Heads of Centre are expected to be collaborative and collegiate focussed, embracing joint working with the learning community, parents, children and young people, staff, partners and the Council.

A representative of the Executive Director (Communities) will also be included in the recruitment panel for both Head Teacher and Depute Head Teacher appointments.

9.4 Appointment of Principal Teacher and Un-promoted Teacher Posts

Head Teachers will be responsible for the appointment of Principal Teachers and Un-promoted Teachers.

9.5 Transfer of Principal Teachers and Unpromoted Teachers

Due to changing pupil rolls and the balance of the curriculum in secondary schools, some teachers may become surplus to requirements in the school in which they are based. Surplus teachers will be identified as part of the annual staffing exercise for schools.

Head Teachers are required to comply with the transfer processes that enable the transfer of teachers between schools as a means of avoiding redundancies.

Transfers will be arranged after vacancies for the forthcoming academic session have been identified and before recruitment to vacant posts commences.

9.6 Appointment of Local Government Employees

11. Accounting

11.1 Budget overspend / underspend

As budget holder, Head Teachers/Heads of Centre have responsibility to manage and monitor assigned revenue budgets on a monthly basis. Variances should be highlighted and corrective action should be agreed to allow for a balanced budget. Full details can be found within the [Budget Holders Manual](#).

11.2 Carry Forward

Head Teachers/Heads of Centre can request carry forward of underspent budget from one financial year to the next. This is capped at 2% of the school's initial devolved budget entitlement, excluding the budget for staffing

which has been allocated as part of the school's staffing entitlements set out in Appendices 3 to 12.

Requests to carry forward underspent budget must be submitted to the Head of Service (Education) for approval using the [Request to Carry Forward Underspent Budget Form](#) provided at Appendix 13. Requests must be supported by a sound business case and submitted by 31 January each year. Head Teachers/Heads of Centre should include the intended use of any approved carry forward budget within their school improvement plans.

11.3 Virement

Virement is the ability to move monies between subjective and objective headings of expenditure and income to offset either a deficit or planned future expenditure. Full details can be found within the [Codes of Financial Practice](#).

The rules concerning budget virement within the Education Service up to a maximum of £20,000 are set out in this DSM Scheme.

Head Teachers/Heads of Centre can vire up to a maximum of £20,000 between budget lines in a financial year without the need for external approval. This excludes the budget for staffing which has been allocated as part of the school's staffing entitlements set out in Appendices 3 to 12. Virement from staffing budgets will only be available in exceptional circumstances and through agreement between the Head Teacher/Head of Centre and the Head of Service (Education). Requests to vire from staffing budgets should be submitted to the Head of Service (Education) using the [Request to Vire from Staffing Budget Form](#) provided at Appendix 14.

Any requests to vire an amount in excess of £20,000 must be approved in accordance with the Codes of Financial Practice.

11.4 Accessing the Centrally Held HQ Staffing Cover Budget

Education Headquarters maintains a central budget to cover costs arising from teacher and some local government employee absence, other than short-term unplanned sickness absence costs. It is anticipated schools will vire an element of their devolved school budget to the school cover budget line to employ supply staff to cover short term absence. It is acknowledged that in some occasions, schools may be unable to cover short term absence due to lack of availability of supply staff. Where this can be evidenced, schools can claim against the HQ Staffing Cover Budget should the absence become long term. The Education Headquarters cover budget can be accessed to cover the following absence reasons:

Reason	Description
1	Foreseen long term teacher absence from day 1 if anticipated long term
2	Long term secondary teacher sickness absence (beyond 20 working days)
3	Long term primary teacher sickness absence as detailed below: FTE Teaching Complement 1 – 4.9 beyond 4 working days 5 – 5.9 beyond 5 working days 6 – 6.9 beyond 6 working days 7 – 7.9 beyond 7 working days 8 – 8.9 beyond 8 working days 9+ beyond 9 working days
4	Long term ASN school teacher sickness absence (beyond 9 working days)
5	Teacher ante natal care
6	Teacher maternity leave / shared parental leave KIT days
7	Teacher accrued holidays (from sickness absence / family leave)
8	Teacher paternity leave
9	Teacher adoption leave
10	Teacher jury duty
11	Teacher parental leave
12	Teacher bereavement leave
13	Teacher public duties leave
14	Teacher maternity/adoption support leave
15	Teacher absence during phased return from sick leave
16	In ASN schools, 4 -15 above is also applicable to local government employees
17	In all schools, the maternity leave of Classroom Assistants and Education Business Assistants (included within DSM scheme)
18	In Early Learning & Childcare establishments, 4-15 above is also applicable to local government employees. In addition, cover can be claimed for the annual leave periods for employees on a full-year contract, with the exception of EY Manager and SEYP posts who are covered by an Excellence & Equity Lead. HQ cover can however be claimed for EY Managers and SEYP's taking accrued holidays on return from maternity leave In all circumstances , a claim against the HQ cover budget can only be made when the absence would result in the centre or class breaching the statutory adult:child ratio.

To access the Education Headquarters' cover budget, schools should submit a [DSM – Accessing the Central HQ Cover Budget Claim Form](#) provided at Appendix 15. This must be submitted on a monthly basis (in accordance with payroll timelines).

Arrangements will be made to download budget from the Headquarters cover budget to school HQ cover budget for claims that are approved.

12. Supported Study Payments

Any payments made to teachers for the purposes of supported study are made at the teacher's normal hourly rate of pay. For promoted teachers, payment will be based on the hourly rate of pay of the top point of the main grade. All such payments must be appropriately authorised by the Head Teacher who is responsible for ensuring the school has sufficient devolved budget available to meet these additional costs.

13. Invigilator Payments

Secondary Head Teachers who engage invigilators for the purposes of the prelim exam diet should authorise any such payments and ensure the school has sufficient devolved budget available to meet these additional costs.

14. Job Sizing of Promoted Posts

If a promoted teacher post is job sized or re-sized during the financial year, any increase to salary will be included within the promoted teacher staffing entitlement of the school.

15. Additional Funding Streams

Head Teachers/Heads of Centre may have access to budgets directly delegated to them by the Scottish Government. Whilst these budgets are not directly referred to within this DSM Scheme, Head Teachers/Heads of Centre are expected to adhere to the Council's financial regulations, Council Plan and supporting strategies, HR Policies and Procedures and employee terms and conditions of service in their management of these budgets.

Head Teachers/Heads of Centre are not permitted to move employees between externally funded and core posts without adhering to normal recruitment processes (e.g. moving PEF funded employees into core funded posts for the purposes of covering vacant posts or submitting claims to HQ to cover leave such as long-term sickness absence or family leave is not permitted).

For posts funded through the Scottish Attainment Challenge, Head Teachers/Heads of Centre should contact the HQ Attainment Challenge contact to ascertain whether any cover budget may be available from Scottish Attainment Challenge funding. There is no cover budget for PEF funded posts as all available funds are distributed to schools.

16. DSM Scheme Review

This DSM Scheme will be reviewed each January by the DSM Review Board who will engage with local authority peers and stakeholders as appropriate.
