# Ferry Travel Challenge

If you are aged 5-25 and live on one of Scotland's islands - have your voice on ferry transport!

As part of the delivery of the National Islands Plan, The Young Islanders Network is gathering feedback on the Under 22s ferry discount scheme.

We know that not all young islanders can access free ferry transport, and for those that do, still face barriers.

How does ferry travel impact you?  
Can you access the ferry discount scheme?  
What changes would you like to see?

# Child Protection

Education Services has a fundamental duty to contribute to the care and safety of all children and young people in North Ayrshire.

All staff, parents and visitors of Brodick Primary School have a responsibility to protect the welfare of our young people. If you have a concern for a young person or a disclosure is made by a young person, you should report this to a school staff member immediately. This will be passed on to the Child Protection Officer.

The Arran Social Work Team is based at the Council Offices, Lamblash. They can be contacted on 01770 600742.

If you are worried about someone during the night or at the weekend an 'out of hours' team is available to deal with emergencies.
