Collage

Provide your child with an assortment of different materials to create a collage picture. These can be art materials or natural things you find outside, for example twigs, leaves or pebbles. Encourage your child to cut and stick them onto paper to create a master peace.

Recipe of the week

Snow Dough

You need :

- * 1/3 cup of vegetable oil
- * 2 cups of cornflour
- * 3 teaspoons of glitter

Mix the glitter into the corn flour. Add the oil slowly to the corn flour, mixing as you go. Rub in like when making pastry. When it feels smooth and slightly damp it's ready.

The image shows a recipe card for Snow Dough. It includes a list of ingredients: 1/3 cup of vegetable oil, 2 cups of cornflour, and 3 teaspoons of glitter. There are three photos: one showing a small snowman made of dough, one showing a pile of white dough balls, and one showing a hand mixing the dough. The card is decorated with snowflake graphics.
