

Literacy

When listening to or reading the Stick Man story, ask your child some thought provoking questions. Such as, What do you think will happen next? Who is in the Story? Where is Stick Man going? After listening to the story ask your child what they can remember about it.

Our Song of the week

Snowflakes
Snowflakes, snowflakes,
dance around.
Snowflakes, snowflakes,
touch the ground.
Snowflakes, snowflakes,
in the air.
Snowflakes, snowflakes, every-
where!
Snowflakes, snowflakes,
dance around.
Snowflakes, snowflakes,

Numeracy

Create your own Stick Man
After reading the Stick Man story, have a think about how many sticks you would need to make your own stick man or stick family. While out a walk or in your garden collect enough sticks to create your family. While out walking see if you can spot and count other things for example how many birds can you see? How many green/red cars can you see?

Recipe of the week

Gloop

How to make gloop.

1. Slowly add one cup of cold water to two cups of corn flour in a big bowl.
2. Stir the mixture until the water is absorbed by the cornflour.
3. Add a few drops pf food colouring to brighten up the gloop. {optional}

If you require these resources please don't hesitate to contact the school and we will provide resource bags.

Corsehill Early Years Gold Activity Sheet 2

Our Story

Our story is Stick man by Julia Donaldson. Head to Corsehill Primary website to watch our modern apprentice Connor reading the story. Or click the link to take part in some activities. Julia Donaldson

Health and Wellbeing

Weather Theme

Can you find natural resources (twigs, pebbles, flowers) add them to a plastic container with water and place in the freezer over night or outside if it is cold enough ask your child why it changed from water to ice? What do you think will happen if it gets warm? Ask your child how they feel about the weather? What is their favorite part of winter? What is their favorite Season? Decorate the garden with your ice creations, watch them melt and freeze again with the change in weather.
