

<h3><u>Health and Wellbeing</u></h3> <p>Through 'Have You Filled A Bucket Today?' we will explore our emotions and how our actions impact people around us. We will become bucket fillers as we build a safe class community. We will establish our routines and class charter, linking this to the UNRC Rights of the Child. For PE we will be playing community building games and learning how to keep each other safe.</p>	<h3><u>Literacy</u></h3> <p>Our novel study this term is "The Folk of the Enchanted Wood" by Enid Blyton. We will join the characters on their journey through the Enchanted Wood and use the book to write descriptions of mythical lands and creatures, using VCOP in our sentences. Primary 3 will be continuing to learn new sounds and tricky words through phonological awareness in order to advance with their reading books.</p>	<h3><u>Numeracy</u></h3> <p>This term, Primary 3 will be looking at Number Processes and the value of given numbers up to 121. We will also be working on addition and subtraction skills to build confidence after a long break. In addition to this we will be looking at Shape and exploring properties of 2D shapes.</p>
<h3><u>Social Studies</u></h3> <p>We will explore, investigate and learn using our garden area. We will be exploring man-made and natural resources in the garden. As our season changes, we will observe the change in weather and how our garden adapts.</p>	<h3><u>Primary 3</u></h3> <p><b>Term 1 Newsletter</b></p> <p><b>Class Teacher:</b> Miss McNeillie</p> <p><b>Main Topic:</b> Enchanted Woods</p>	<h3><u>Religious and Moral Education</u></h3> <p>Primary 3 will be learning about The Parable of the Impoverished Son and the importance of doing wonderful things for people even if they don't know it.</p>
<h3><u>Expressive Arts</u></h3> <p>We will be using our art lessons to support our sentence writing this term by designing and creating fantasy lands using drawing and 3D modelling skills. We will also be completing observational flower drawings to support our Science work.</p>	<h3><u>Science</u></h3> <p>The pupils will explore STEAM activities in the learning zone. Through our novel, we will be gathering evidence and learning how plants grow.</p>	<h3><u>Technology</u></h3> <p>We will safely use a variety of technology in our learning. We will independently log in and complete activities on learning platforms such as Education City and Bug Club and record and share our learning on Seesaw.</p>
<h3><u>Languages</u></h3> <p>Primary 3 will be expanding their French knowledge as we familiarise ourselves with greetings and also look at how to communicate information about our family.</p>	<h3><u>How can you help at home</u></h3> <ul style="list-style-type: none"> <li>• Talking to me about my learning helps me to share my new learning.</li> <li>• Reading with me every day.</li> <li>• Encouraging me to complete any homework, activities helps me to progress.</li> <li>• Help me to develop independence by giving me opportunities to complete tasks by myself.</li> </ul>	<h3><u>Important Dates</u></h3> <ul style="list-style-type: none"> <li>• PE every Tuesday and Wednesday</li> <li>• Bug Club homework begins 6<sup>th</sup> September</li> <li>• Termly Top Target meetings on the week beginning 6<sup>th</sup> September</li> </ul>
