

<p><b><u>Health and Wellbeing</u></b></p> <p>Physical Education will be on Wednesday and Thursday. This term we will be learning and playing netball.</p> <p>Our topic, the novel Charlie and the Chocolate Factory, will lead to some great discussions about chocolate and from there we can consider how food can affect our wellbeing and how to make healthier choices.</p>	<p><b><u>Literacy</u></b></p> <p>This term, Primary 4 will be focussing on upgrading our writing. We have been looking at adding detail through adjectives, verbs, and adverbs as well VCOP.</p> <p>In writing we will be using our imaginations to create wonderful stories. The pupils will be focussing on upgrading their work through editing.</p>	<p><b><u>Numeracy</u></b></p> <p>This term we will be looking at number processes and measurement. We will investigate how whole numbers are constructed to understand the importance of zero within the system and use our knowledge to explain the link between a digit, its place and its value.</p> <p>Just like Willy Wonka, we will create our own secret recipe. This will involve the accurate measurement of different substances.</p>
<p><b><u>Social Studies</u></b></p> <p>Our topic Charlie and the Chocolate Factory will ignite our wonder about different climate zones around the world. By exploring and comparing another climate to ours we will discuss how different living things are influenced.</p>	<p><b><u>Primary 4</u></b></p> <p><b>Term 1 Newsletter</b></p> <p><b>Class Teacher: Mrs Ennis &amp; Mrs McNulty</b></p> <p><b>Main Topic: Charlie and the Chocolate Factory</b></p>	<p><b><u>Religious and Moral Education</u></b></p> <p>This term, P4 will be exploring both the story of The Good Samaritan and Sikhism. These topics will allow us to build upon our understanding of 'Love and Care and Caring and Happiness'.</p>
<p><b><u>Expressive Arts</u></b></p> <p>We will listen to and appraise Bob Marley's Three Little Birds. We will be using our body to find the pulse and explore different ways to make music.</p>	<p><b><u>Science</u></b></p> <p>We have investigated buoyancy by using different materials to create floating vessels.</p> <p>We will create our very own secret recipe. This will enable us to make predictions using different substances and how they will react when mixed.</p>	<p><b><u>Technology</u></b></p> <p>Inspired by our topic we will use digital technologies and can use what we learn to support and enhance our learning. We will use iMovie to create adverts for our very own delicious creations.</p>
<p><b><u>Languages</u></b></p> <p>This term we will be learning to greet each other and carryout some of our classroom instructions in French. We will continue counting up to 30. We will also discuss our family, our pets and animals as well as what we eat.</p>	<p><b><u>How can you help at home</u></b></p> <p>Hopefully your child will be excited to share their learning with you! Let them discuss their day with you, if there is anything you are unsure of, please do not hesitate to contact us. Encourage the children to access Bug Club and Sumdog at home, both of these programmes will help your child to progress.</p>	<p><b><u>Important Dates</u></b></p> <p>P.E will take place on Wednesdays and Thursdays.</p> <p>We will be conducting our termly target meetings by telephone between 6<sup>th</sup> and 10<sup>th</sup> September.</p>
