

<p><u>Health and Wellbeing</u></p> <p>We will continue to celebrate being bucket fillers! We will explore Road Safety this term, remembering to always Stop, Look, Listen and Think! Through UNRC article 28- 'The Right to an Education, we will talk about our rights and link these to wider world issues. In PE, P3 will safely perform gymnastic floor skills including balances and rolls.</p>	<p><u>Literacy</u></p> <p>This term we will continue to revise and learn new sounds and tricky words to help our reading and spelling. We will use a description wheel to write detailed character descriptions including physical details and personality traits. We will then transfer these skills to write fact files about animals.</p>	<p><u>Numeracy</u></p> <p>This term, Primary 3 will continue Number Processes and use symbols to describe relationships between numbers. We will be exploring multiplying and begin to revise Times Tables. With Miss Wilson, P3 will be exploring information handling through collecting and displaying data.</p>
<p><u>Social Studies</u></p> <p>“People all over the world are working hard in many different ways to tackle climate change and make the world a better place – you can all be part of that journey.” We will join this journey by learning about climate change and becoming aware of current issues during the COP26 summit.</p>	<p><u>Primary 3</u> Term 2 Newsletter</p> <p>Class Teacher: Miss McNeillie</p> <p>Main Topic: Topical News (COP26)</p>	<p><u>Religious and Moral Education</u></p> <p>Primary 3 will be exploring the history of Halloween and how it is celebrated worldwide. In December, we will be exploring the story of Haffertee's First Christmas, discovering the true meaning of Christmas.</p>
<p><u>Expressive Arts</u></p> <p>P3 will listen to a range of popular songs. We will use our body to find the pulse, linking this to beat, and explore different ways to make music. We will also record sound from our environment.</p>	<p><u>Science</u></p> <p>The pupils will explore STEAM activities in the learning zone. We will be exploring and investigating open ended activities to learn about Space. We will be continuing to problem solve through outdoor learning, trying to devise solutions to given problems.</p>	<p><u>Technology</u></p> <p>We will safely use a variety of technology in our learning. We will independently log in and complete activities on learning platforms such as Education City and Bug Club and record and share our learning on Seesaw.</p>
<p><u>Languages</u></p> <p>Primary 3 will be expanding their French knowledge as we familiarise ourselves with colours and objects we see around us. We will begin to learn our numbers to 20 in French.</p>	<p><u>How can you help at home</u></p> <ul style="list-style-type: none"> • Talking to me about my learning helps me to share my new learning. • Reading with me every day. • Encouraging me to complete any homework. • Help me to develop independence by giving me opportunities to complete tasks by myself. 	<p><u>Important Dates</u></p> <ul style="list-style-type: none"> • PE every Tuesday and Wednesday. • Termly Top Target meetings on the week beginning 8^h November.
