

<p><u>Health and Wellbeing</u></p> <p>We will kick off this term in P.E with rugby which was moved from last term. After this we will explore creative dance, followed by hockey.</p> <p>Our classroom lessons will continue to look at ways to keep our body and mind healthy with an emphasis on healthy eating.</p>	<p><u>Literacy</u></p> <p>Our writing lessons will explore different styles of writing. We have started with instructional writing and hope to make these lessons even more enjoyable by carrying out our instructions!</p> <p>We enjoy many opportunities to further our reading skills either through a whole class novel or personal choice.</p>	<p><u>Numeracy</u></p> <p>Term 3 will begin with the topic Shape, Position and Movement. We will investigate the properties of 2D and 3D shapes and create some of our own.</p> <p>Real life situations will provide the context for position and movement by virtually exploring different locations and buildings.</p>
<p><u>Social Studies</u></p> <p>In celebration of Burns Night, we will explore the life and time of Robert Burns and other connected history.</p> <p>We will then move on to the exciting topic of The Romans. We will learn about life at this time and the impact that it continues to have on our lives now.</p>	<p><u>Primary P4</u></p> <p>Term 3 Newsletter</p> <p>Class Teacher: Mrs McNulty & Mrs Ennis</p> <p>Main Topic: The Romans</p>	<p><u>Religious and Moral Education</u></p> <p>Our focus for this term will be on Easter and its traditions including those associated with food. We will start this learning with Shrove Tuesday.</p>
<p><u>Expressive Arts</u></p> <p>Our learning in Expressive Arts will see us revisit music for this term. As a class we will learn and perform a new song assisted by a visiting music student.</p>	<p><u>Science</u></p> <p>Opportunities for scientific discovery are provided in our learning zone. This will often be work that is shared with you by the children on seesaw.</p> <p>Our first topic this term will be exploring the sources and uses of different materials.</p>	<p><u>Technology</u></p> <p>We will use technology to enhance our learning wherever possible and in particular for our topic. Technology will allow us to research the lives of the Romans and bring aspects of this time to life.</p>
<p><u>Languages</u></p> <p>We will continue to build upon our language skills in French. We will use French for some of our classroom instructions and be able to name parts of our classroom in French.</p>	<p><u>How can you help at home</u></p> <p>Again thank you for all your support over the last two terms. Homework will consist of activities including spelling, numeracy and reading. These will be accessed online or sent via Seesaw.</p> <p>If you have any questions please do not hesitate to contact us.</p>	<p><u>Important Dates</u></p> <ul style="list-style-type: none"> • P.E: Wednesday and Thursday. Please ensure that any jewellery is removed. If earrings cannot be removed they should be covered with mesh tape. • Outside learning will continue on a Wednesday afternoon.
