

# Corsehill Primary EYC Newsletter August 2023

## Hello

A very big hello to all of our lovely families and carers. We have had a busy two weeks since returning from the summer holidays! All the staff and children have been working very hard to build relationships and settle into their new routines. Each month, our EYC will send out a newsletter to share updates, important information and upcoming events from the EYC with you to keep you as informed as possible about the wider life of the EYC .

## Family Feedback

Your ongoing feedback helps us to make improvements as the year goes on. Please scan the QR code below to **TAG** us in some feedback.

- T - tell us something we are doing well
- A - ask us something you would like . more information on
- G - give us a suggestion for improvement

## Information

Learning Journals - keep logging in to check your child's learning journal. This is a digital special book where we share lots of observations of your child as they make progress with their targets. You can also add to this book yourself with what you see at home. Your child's targets will for Term 1 be shared with you on Learning Journals very soon. Please comment on these targets and let us know how they are progressing with them at home as well!

## Staff news

- We are delighted to announce that we have a new member of staff supporting our school this session. Jacqueline Fadian will be our Area Inclusion Worker and will be able to offer lots of support to children and families. Keep your eyes peeled for more information from Jacqueline.
- We are also delighted to announce that we have welcomed Gemma Fullerton, a new EBA, who will be working in our school office on a Friday.

Target Discussions - over the next week Nadine will be inviting you in for a discussion with your child's keyworker to review their targets for the term. This is a great opportunity for a cuppa and a chat about your child's learning.

Returning Children - our returners have settled straight back into their routines and are being fabulous role models to our new children. We are so impressed at how independent our little ones are!

New Start Children - it has been an exciting time for us as we have also welcomed a lot of our new start children to our nursery. It is a lovely time of year when we get to welcome new children and families to our school community. We ask that all children come to nursery with a set of wipes and a spare change of clothes in their bag should they need it at any time.

Incredible Years - Nadine will be starting this exciting programme on 20th Sept at 9:30am. If you are interested then please speak with her to sign up.

Lending Library - this year across the nursery and school we will be having a big push to promote the joy of reading. We will be launching a lending library within the nursery for you to take books home to share with your little one.

Check it Tuesday - please keep an eye out for any unwelcome visitors that may be trying to make their homes in our wee ones hair. If you need any advice or support with this then please speak to a member of staff or your local pharmacist.
