

Newsletter

To develop a curiosity about our world and enable our children to contribute positively now and in the future.

Corsehill Primary School October 2025

This month in our school...

Welcome to our October newsletter! We hope you all had a wonderful October Holiday and are beginning to feel the festive cheer as we approach Christmas.

Attendance - As a school we monitor attendance every 4 weeks. Good attendance has one of the biggest impacts on your little ones attainment in school. We will be increasing our communication with families about our attendance in order to try and promote high levels of attendance across all classes.

M+M Productions - We were very lucky to have M+M treat us to a wonderful performance of 'Sleeping Beauty'. The children were all incredible and the company made special mention about the manners and kindness from the boys and girls. We are all very proud of them!

Halloween - Corsehill Primary was taken over by lots of wonderful and spooky costumes this month. All classes got to come together to join in the fun at their Halloween Parties where they took part in different games and activities.

Parent Council - A huge thank you to the Parent Council who have funded the replacement of the carpet within our school library, which was certainly past it's best. This has made the learning space much more welcoming and pleasurable place for the children to work in.

Area Inclusion Worker - Andrea is now back in post as our Area Inclusion Worker. We are very excited to have Andrea back in this role and she will be continuing to support children and families this session, making such a positive difference to the community.

Mrs Burns - We said farewell to Mrs Burns this month just before the October Holidays as she starts her retirement. We wish her all the best in this next chapter and thank her for all the hard work she has shown to all the boys and girls in Corsehill. Miss Wilson will now be working with Primary 2/1 for the remainder of this session.

Mr Young - Mr Young has also moved on to a new opportunity and finished up with us at the end of the month. Mr Young has supported the boys and girls in a number of different roles over the years and we wish him every success in the future.

Wider Achievements - please remember to send pictures on Seesaw to your child's class teacher of any wider achievements that have taken place over the past month. Each month we have a wider achievement assembly to celebrate the achievements of our young people outside of school.

Class Spotlight

Each month, we celebrate some of our shining stars! This highlights a class who have gone above and beyond—whether through kindness, creativity, hard work, or leadership. Let's cheer them on and be inspired by their example!

This month we are celebrating our fantastic Primary 6 class!

Primary 6 have been learning all about area and perimeter in numeracy and have been working incredibly hard to be excellent role models throughout the school.

A special mention to the different leadership groups within Primary 6 who support children with their learning all across our school. Well Done!

Primary 6
with Mrs
Williamson.
