

To develop a curiosity about our world and enable our children to contribute positively now and in the future.

Corsehill Primary School December 2025

## This month in our school...

Welcome to our December newsletter! As a school we have been very busy on the lead up to Christmas. As we approach the holidays we would like to wish you and your families a very happy festive time.

Christmas Parties - Our classes had a wonderful time at their Christmas parties this year! The children enjoyed music, dancing, games and festive fun with their friends and teachers. Our Primary 1-3 children even had a special visitor in a big red suit and long white beard! Thank you to our Parent Council for their support and to families for helping the children come prepared and dressed for the occasion—your support helped make these celebrations extra special.

Christmas Lunch - We were delighted to share a festive Christmas lunch together as a school community. The children enjoyed a delicious meal, plenty of cheer, and the chance to celebrate the season with their classmates and staff. A huge thank you to our catering team for all their hard work in making this such a memorable event.

Christmas Cinema Trip – Zootropolis 2 - this month, pupils had the opportunity to visit the cinema to see Zootropolis 2. The children were excited to experience this brand-new film on the big screen, and it was lovely to see everyone enjoying the trip together. Thank you to our staff and helpers for supporting this fantastic outing.

Christmas Support - We would like to extend our heartfelt thanks to the partner agencies and community organisations who have supported many of our families during this time of year. Their generosity in providing clothing, presents, food, and assistance with gas and electricity has made a meaningful difference. We are deeply grateful for their ongoing care and partnership.

Headlice Reminder - We kindly remind all parents and carers to check their children's hair weekly for headlice. Regular checks help prevent the spread and allow for early treatment if needed. Free treatment and advice are available from local pharmacies. Thank you for helping us keep our school community healthy and comfortable.

Christmas Service - Our Christmas Service at the Abbey Church was a truly special way to celebrate the season together. The children sang, read and participated beautifully, and it was wonderful to see so many families attending. Thank you for joining us and helping make this a memorable and meaningful event for our school community.

Family Feedback - Thank you to all families who shared feedback during Parents' Night. Responses were overwhelmingly positive, with all parents saying their child feels safe, well cared for and included, and that staff have high expectations and listen to children and families. We are delighted that relationships, communication and wellbeing were highlighted as real strengths across the school.

## Class Spotlight

Each month, we celebrate some of our shining stars! This highlights a class who have gone above and beyond—whether through kindness, creativity, hard work, or leadership. Let's cheer them on and be inspired by their example!

This month we are celebrating our fantastic Primary 5/4 class!

Primary 5/4 have been busy this month learning all about money in numeracy. They have been putting this to the test with different real-life problems.

They have also been working hard on their leadership role with eco within the community. Well done to Primary 5/4, we are all very proud of you!
