

To develop a curiosity about our world and enable our children to contribute positively now and in the future.

Corsehill Primary School February 2026

## This month in our school...

February has been a busy and positive month in school, with children showing great enthusiasm and progress in their learning. Thank you for your continued support and partnership.

Headlice Reminder - We kindly remind all parents and carers to check their children's hair weekly for headlice. Regular checks help prevent the spread and allow for early treatment if needed. Free treatment and advice are available from local pharmacies. Thank you for helping us keep our school community healthy and comfortable.

Burns Supper - Our Primary 6 Burns Supper was a fantastic success and a real highlight of the month. The children performed with confidence and pride, and it was wonderful to celebrate Scottish culture together. Thank you to staff, children and families for your support in making the event so special.

Neon Day - Our P4/3 leadership group did a fantastic job organising Neon Day to promote road safety. It was great to see pupils and staff taking part and helping to raise awareness about staying safe on our journeys to and from school. Thank you to everyone who supported this important initiative.

Science Trips - Some of our classes have already enjoyed an exciting trip to the Glasgow Science Centre, with the remaining classes looking forward to visiting in the coming weeks. The visit has provided hands-on, engaging learning experiences that have really sparked curiosity and enthusiasm for science.

Poetry Competition - All classes have been busy learning a Scottish poem at home as part of our Scottish Poetry competition. We are very proud of the effort and enthusiasm pupils have shown while practising and performing their poems.

Attendance - Good attendance is essential for children to make the most of their learning and to feel confident, settled and part of our school community. Every day in school really does make a difference, and we appreciate families' support in helping children attend regularly and arrive on time.

Healthy Snack - We ask for your support as we continue to encourage healthy, nut-free snacks at playtime to support children's wellbeing and keep everyone safe. Fruit, vegetables, yogurt and other healthy options help children stay energised and ready to learn throughout the day.

Primary 5 Leadership - P5's leadership group this session is all about fundraising. They have been working very hard at different events this session to run their own enterprising topics to raise money which they have used to purchase resources to support learning across the class.

## Class Spotlight

Each month, we celebrate some of our shining stars! This highlights a class who have gone above and beyond—whether through kindness, creativity, hard work, or leadership. Let's cheer them on and be inspired by their example!

This month we are celebrating our fantastic Primary 1 class!

Primary 1 have been busy this month learning all about their topic 'Toys'.

As part of this they have been exploring toys from the past and sharing our experiences with toys and play. They have also been designing their own toys.

Primary 1 continue to amaze us all with how fabulous they all are. Well done P1.
