Corsehill Primary School May 2026

## This month in our school...

As we move through May, our school continues to be filled with energy, creativity and achievement across all areas of learning. It has been wonderful to see children showing resilience, teamwork and pride in their work both in and beyond the classroom. Thank you, as always, for your continued encouragement and support.

**Headlice Reminder** - We kindly remind all parents and carers to check their children's hair weekly for headlice. Regular checks help prevent the spread and allow for early treatment if needed. Free treatment and advice are available from local pharmacies. Thank you for helping us keep our school community healthy and comfortable.

**Parent's Night** - Parent's Night took place this month and provided a valuable opportunity for families and staff to come together to discuss children's progress, achievements and next steps in learning. We greatly appreciate the positive engagement and support from parents and carers, and we know that strong home-school partnerships play an important role in helping every child succeed.

**Parent Council** - We would like to extend a huge thank you to our Parent Council and all of our families for their incredible support with fundraising this session. Thanks to your generosity and participation, an amazing £3,657 has been raised for the school. We are extremely grateful for this support and will be in touch soon to share how these funds will be used to further enhance experiences and opportunities for our children.

**School Trips** - Throughout May classes have enjoyed a range of exciting summer trips including visits to Culzean Castle and Country Park, Dean Castle Country Park, Kelvingrove Art Gallery and Museum and Vikingar!. These outings provided valuable opportunities for learning, teamwork and fun, and the children represented the school brilliantly throughout each visit.

**Summer Fayre** - We would also like to remind families that our upcoming Summer Fayre, organised by the Parent Council, will take place soon. We look forward to welcoming everyone along for an afternoon of fun, community spirit and fundraising, and we thank you in advance for your continued support.

**Playground** - We would also like to remind all members of our school community of the importance of respectful conduct within the playground and school grounds. We kindly ask that any concerns are raised directly with school staff rather than approaching other families, and that everyone continues to model kindness, patience and respect to help maintain a safe and positive environment for all children and adults.

**Feedback** - We value the views of our families and would encourage all parents and carers to complete our feedback survey by scanning the QR code.

## Class Spotlight

Each month, we celebrate some of our shining stars! This highlights a class who have gone above and beyond—whether through kindness, creativity, hard work, or leadership. Let's cheer them on and be inspired by their example!

This month we are celebrating our fantastic Primary 3 class!

Primary 3 have been busy this month learning all about their topic 'Scotland v Mexico'.

As part of this they have been learning about different stadiums and the lives of footballers. They have also been sharing their leadership at assembly about how we show Rights of the Children across the school.
