Dear Parent/Carer

In August 2020 we will be operating a staggered start and finish time for pupils attending school. We will assess how this is working and then keep you informed of any necessary changes. The purpose of the staggered start and finish time is to minimize the number of people around the school grounds at any one time. This is in line with our school risk assessment, to keep our families and staff safe. We also need to stagger our start and finish times to allow pupils to safely wash their hands upon entering and exiting the building.

We have tried to limit the time you will be waiting for siblings, we ask that when waiting for siblings, you do so in accordance with Government guidance on social distancing. We would like to thank you in advance for your cooperation with this.

Primary one start time is for the first week only, this is to allow our new pupils time to settle in and become familiar with the building and the routines. We will be in touch during the first week of term to confirm the start times after week 1 for primary one.

We ask that you stick to the timings set out, to allow us to monitor and adapt as we need to. We appreciate these are challenging times and things may change quickly, however our priority is the safety of all children, parents and staff.
