Dear Parent/Carer

I hope this communication finds you and your family well.

As you may be aware, on Tuesday 23rd June the Deputy First Minister announced that the Scottish Government is now aiming for the full return of children and young people to schools in August, subject to COVID 19 scientific and health advice. All staff at Dalry Primary School hope that we can resume full time education for all our pupils in August. However, until this is reviewed by the First Minister throughout the summer, then we will remain with our 'contingency plan' which is based on the 2m physical distancing and would involve blended learning.

Although on holiday like all members of staff, I will be contactable by email or phone.

During this time, 26th June – 10th August, I would ask that you please do not contact the class teachers.

I will provide you with any updates regarding returning to school over the summer holiday by text, Twitter, school website or Parent Council Facebook page. Please keep an eye out for these.

I would like to take this opportunity to thank you for your patience, co-operation and understanding during the past few months. It has been a really difficult and challenging time for us all. I appreciate your continued support as we move onto the next phase of returning to education at Dalry Primary School.

I hope everyone has a lovely summer holiday and we are really looking forward to seeing you all in August.

Yours sincerely

Kirsty Carson

Mrs K Carson
