

Dreghorn Primary P3 Homework Grid

January 2025

Children can choose what activities to complete.

Numeracy	Literacy	Topic
 <p>Practice your times tables. Choose a times table you want to get better at or play some times tables games.</p>	 <p>Can you write a short poem about a frosty winter morning?</p>	 <p>Learn all about how the universe beyond our planet works from scientists at NASA!</p>
Numeracy	Literacy	HWB
 <p>Can you practice measuring in cm using this game? You could also try and measure some items round your house using a tape or a ruler!</p>	 <p>Our class Scottish Poetry competition will take place on Friday 19th January. Do your best to memorise your poem. Can you add props, costumes, expressions or actions to make it magical?</p>	 <p>Go for a walk <u>with an adult</u>. Ask them to help teach you how to cross the road safely.</p>
Science	P.E	Art
 <p>Predict: Do you think an ice cube would melt quicker in your kitchen or outside? Experiment: Place one ice cube in a cup in your kitchen and one outside. Which one takes longest to melt?</p>	 <p>Enjoy this yoga activity on your own or with your family at home!</p>	 <p>Can you create your own Robert Burns portrait to celebrate Burns night this month?</p>
