

Dreghorn Primary P5 Home Learning Grid

January 25

Children can choose what activities to complete .

Maths	Literacy	Topic
Practice telling the time using an analogue clock. You can use the clock on the 'Topmarks' website to help.	Write 3 sentences using speech marks. Add speech marks around what the person is saying and add punctuation. For extra challenge, try to think of different synonyms for 'said'.	Research and write 5 facts about volcanoes. Fun fact! Edinburgh castle is built on the site of a dormant volcano.
Numeracy	Literacy	Health & Wellbeing
Choose your level of challenge and complete the Numeracy worksheet. You only need to do one group of questions.	Complete 3 tasks from your spelling grid (at the front of your jotter) each week . Remember to learn the rules and strategies. Spelling tests will take place in class on a Friday.	Think of something you would like to achieve this year. It could be learning an instrument, practising your tables or tying your shoelace. Create a plan about how you are going to achieve this. Remember, every new skill starts with small steps.
Health and Wellbeing	Art	Drama
Check out the Woodland Trust website to find out how you can help animals survive this winter. You could perhaps create a bird feeder or leave some food for hedgehogs.	Draw, paint or collage a Winter scene.	In preparation for our Scottish assembly, read over your Scottish poem
