

Dreghorn Primary P6/7 Home learning Grid

January 2025

Children can choose what activities to complete

Numeracy	Literacy	Topic
Practise all your times tables using top marks Hit the Button https://www.topmarks.co.uk/maths-games/hitthebutton	Write your spelling words out 3 times. Write 5 interesting sentences, ensuring you think about VCOP. Remember to learn the rules and strategies. Spelling tests will take place in class on a Friday.	As part of our mini topic about Scotland, choose a famous Scottish landmark and write 5 facts about it.
Numeracy	Literacy	Health & Wellbeing
Complete the Numeracy sheet questions on time durations. Remember to use a number line to help calculate.	Write your own poem about Scotland. You can choose any poetic style you like, e.g. acrostic, haiku, free verse, rhyming etc. Think about what message you want to convey.	It's the time for new beginnings! Write down your hopes for this year and explain how you will achieve them.
Numeracy	Literacy	Art
Go to Corbett maths 5-a-day, https://corbettmathsprimary.com/5-a-day/ Choose the day and the level and complete the 5 questions, showing your workings.	Revise your Robert Burns poem.	Draw a picture or create a model of a chosen Scottish landmark.
