Dear Parents & Carers,

Happy New Year!

The ESR team wish you all a very happy and healthy 2026 and, as always, we are here to help. Please get in touch anytime by messaging on Learning Journals or calling the school office.

Your children are now roughly half way through their school year and are enjoying lots of new play areas and experiences both inside and outside every day. We hope you all enjoy seeing your children's progress through learning journals and would like to thank you for coming along to our festive activities before Christmas.

If your child does not currently have wellies in school it would be great if you could send some in. It is also extremely cold in the playground some days so a warm jumper/jacket and a hat and gloves are also very useful.

Thank You

Pauline McIntosh  
Depute Head Teacher
