

# P5 SPRING NEWSLETTER

## TERM TOPICS

### OVERVIEW

This term we will explore forces and energy. We will explore different types of forces and how these affect our day to day lives. We will also explore energy, looking at how the world around us is powered and build an understanding of simple electrical circuits.

In numeracy we will explore measure. We will look at metric units used to measure distance, volume and mass. We will convert between units of measurement and apply our understanding in a variety of contexts.

In writing we will work on writing detailed instructions and explore creative writing by building an alternative ending to a familiar book.

## NEWS

### IMPORTANT DATES

Parents evenings will take place this term. This will be split over two dates on Wednesday 25<sup>th</sup> February and Tuesday 3<sup>rd</sup> March.

World Book day will take place on Thursday March 5th . Children will be invited to dress in a costume inspired by their favourite book on this date.

## GYM DAYS

Tuesday afternoon  
Wednesday morning

Please ensure your child has their gym kit in school on these days.
