

P3 SPRING NEWSLETTER

TERM TOPICS

NUMERACY

P3 will be continue to learn about multiplication/division and reciting the times tables. The class will also be introduced to fractions and learn all about halves, quarters, thirds, fifths and tenths. Additionally, P3 will be exploring different types of measurement and time.

LITERACY

The class will be doing a mixture of imaginative text and creating pieces of information text such as fact files or leaflets. P3 have also started an additional piece of weekly writing work where they write about what they did at the weekend - with the main focus being carrying out correct sentence structure. This term, we are also learning our Scottish poem - 'The Sair Finger' by Walter Wingate.

OUR TOPIC

IDL

P3 will learn about two topics this term. The first being 'The Rainforest' where they will be learn about different environments, lifestyles and climates. We will then travel back in time and learn about 'Ancient Egypt'.

GYM DAYS

Tuesday after break
Friday afternoon

Please bring your gym bags on both of these days
