

P5/6 AUTUMN NEWSLETTER

TERM 1 TOPICS

Literacy

This term, we will be developing our non-fiction skills thorough report writing. We will be looking in depth at the features of a report and how to structure sentences using nouns, verbs, adverbs and adjectives.

Numeracy

In numeracy, we will be expanding our knowledge of place value to help develop our addition and subtracting strategies.

Topic

Primary 5/6 will investigate engineering, floating and sinking through our history topic – Titanic. We will be taking part in lots of STEAM activities to explore our topic further.

NEWS

A warm welcome back to everyone! We have lots of exciting learning and activities planned as begin the next year ahead.
