

P6 AUTUMN NEWSLETTER

TERM 1 FOCUS

Literacy

In Literacy, we will be enjoying a class novel linked to our Titanic topic, which will provide lots of opportunities for discussion, comprehension and creative activities. We will also be developing our non-fiction writing skills, focusing on different forms including reports, diary entries and leaflets. We will be working on using interesting vocabulary, organising information clearly and writing for different purposes and audiences.

Numeracy

In Numeracy, we will begin by developing our understanding of place value and rounding. We will then move on to addition and subtraction, building confidence with a range of calculations and problem-solving activities.

NEWS

We are very excited to begin another busy and exciting term in P6! We have lots of fantastic learning planned and are looking forward to exploring our new topic together.

TITANIC

We will be learning about the ship, its passengers and crew, life on board, and the events surrounding its tragic maiden voyage. We will be using our topic to develop our knowledge and skills across a range of curricular areas.

GYM DAYS

Monday

Thursday

Please bring gym bags and make sure everything is labelled.
