Comhairle Siorrachd Àir a Tuath

Dear Parents and Carers,

We have continued to review the entrance and exit arrangements for pupils. This session we have significant congestion at the current P3, P4 and P5 exit next to the Main entrance.

This has resulted in parents and children spilling over into the car park which is a hazard.

To address this the new arrangements for dismissal at the end of the school day from Thursday 27th September will be.

Parents of Primary 4,5,6 and 7 children should arrange to meet them out with the school grounds at an area that is convenient for children and carers if your child is usually collected from school.

Primary 4 will be dismissed from the exit that is currently used by P6 and 7 directly across from the M.U.G.A.

All Primary 5, 6 and 7 pupils will be dismissed from the rear exits and will leave the school grounds via the gates which are adjacent to the path leading to Greenwood. This means the exit is leading directly onto a path which leads to the Crossing Patroller for children who need to cross the roads.

The morning entry doors remain unchanged.

I am sure you will appreciate that this change is in the interest of safety.

Yours sincerely,

J. G Robertson
