Dear Parents and Carers,

As part of Elderbank's Pupil Equity Fund plans we have secured the services of a Family Support Worker, Katie, who will undertake a similar role to Robbie, who retired in June 2018.

This is an exciting opportunity for Elderbank and it reflects the suggestions made through the consultation with all members of the Elderbank Community.

Katie is part of the Children's 1st Service. If you feel you or your child could benefit from the support Katie may be able to offer, please contact myself or one of the Depute Head Teachers.

Katie is looking forward to meeting everyone at the Meet the Teacher event tonight from 6:30p.m. – 8:00p.m.

Another service we have secured is a Money Advice Worker for parents and carers. Steven will be at the Open Evening and we will provide more details of how you can access his service. He is able to help with maximising benefits and general money advice. Although we are funding the service, there will be no referral from school, as this is a personal support.

Steven is eager to provide lots of information at the Open Evening. Please come along and see what is on offer.

Kind regards,

Miss J. Robertson

Head Teacher.
