

Elderbank Primary School  
Classbase 10 - Miss Bambom  
Term 1 - 2023/2024

We have had the best start to the new school year in Classbase 10! Mrs Burns, Mrs Reynolds and Miss Bambom are so proud of the children for settling in to their new class and routines. We are very excited about the year ahead with you all!

Literacy

In literacy, we will be listening to various nursery rhymes and taking part in activities based on these. We will start to focus on phonemes, introducing a new one on a weekly basis! Communication is a huge part of our learning journey and we are continuously building on our vocabulary as well as the use of visuals when asking for a want or need. Total communication is always encouraged!

Numeracy

In Numeracy, we are building on our knowledge of numbers as well as number formation. We are exploring numbers using a variety of resources such as numicon and digital technology. We also have a focus on shape; exploring a range of 2D and 3D shapes through play experiences and outdoor learning.

Health and Wellbeing

Health and wellbeing is at the heart of our school day. We are focusing on aspects of HWB such as toileting and hand washing. We are building on our food technology skills, exploring a variety of tastes and textures. Classbase 10 are already demonstrating a passion for P.E.! The class are focusing on movement and body awareness.
