

Miss Hercus
Primary 7H Term 1
Session 2023 - 2024

Elderbank Primary School Home / School Info.

Health and Wellbeing

Our focus for Health and Wellbeing this term will be building confidence and developing a positive mindset. We will complete a range of activities from 'Emotionworks' to support this. We will also be exploring feelings which will give us vocabulary to express how we feel and how to seek advice and support if we need it. In PE we are developing our team building skills in Basketball and our agility and balance through gymnastics.

P.E. days are Wednesday and Friday.

Welcome to P7H. Everyone has settled well and adapted to the new routines. We have had a very positive start to the new term and are all looking forward to the year ahead!

Miss Hercus

Numeracy

Circles will be extending their knowledge of place value when working with decimal fractions. They will also be simplifying and solving algebraic equations. Squares will be applying their knowledge of time to practical tasks, involving calculating durations. Also, they will be ordering, comparing and converting fractions. Triangles will be estimating and weighing during practical tasks. As well as this, they will be learning how to calculate the area and perimeter of shapes.

Expressive Arts

Drama - We will be working on our improvisation and role play skills through our topic and current novel 'The Explorer'.

Music - We will be developing skills in listening and appraising a range of music linked to our topic.

Art - Our topic will create opportunities for the children to develop their knowledge and skills in colour mixing and shading.

Literacy

Reading - This term we will continue to develop our comprehension skills through a variety of texts including our class novel 'The Explorer', working in groups and independently to further our understanding of issues covered.

Writing - Our focus this term is to up level our writing. We will focus on the features of writing a recount.

Talking and Listening - The children will be engaging with attention and listening lessons. They will be developing their skills in active listening.

Topic - Our topic this term is Endangered Animals. We will discuss the impact of human activity, climate and weather on habitats around the world.

Science - We will be investigating the classification of living and non-living things.

RME - We will focus on the Jewish festival of Purim and the story of Esther discussing the key themes.

ICT - We will develop our presentation skills using PowerPoint including inserting audio/video clips.

Homework

Homework task boards will be given out each month, covering 4 weeks' worth of homework. This may include a mixture of literacy, numeracy, outdoor learning and health and wellbeing. We ask that 2-4 tasks are completed per week. Any written work can be put into homework jotters and brought into school to be marked.
