

Elderbank Primary School

Classbase 10 - Miss Bembom

Term 2 - 2023/2024

We are very excited about Term 2 in Classbase 10! There are lots of seasonal events taking place such as Halloween, Bonfire Night, St Andrews Night and of course, Christmas! We are looking forward to wrapping up warm and spending lots of time outside!

Literacy

In literacy, we will be choosing our favourite stories to read and take part in activities based on these. We will also base a lot of our literacy on seasonal events mentioned above. We will continue to develop our knowledge of phonemes and sight words, focusing on 's,a,t,p,i,n' and Frys 100 words.

Numeracy

In Numeracy, we will be exploring patterns, with a particular focus on creating patterns using materials we find during Outdoor Learning. We will continue to build on our knowledge and understanding of numbers and number formation.

Health and Wellbeing

We will be putting a big focus on brushing our teeth during term 2 and learning about why it's important to keep our teeth clean! We will be continuing ball skills during gym and learning about different ways of passing and throwing. Turn taking is an important skill we will be exploring. Opportunities to take turns and share will be incorporated throughout the school day across a range of contexts.
