## Mrs Cook Primary 3/2 Term 2 Session 2023-2024

Dear Parents and Carers,

I hope this newsletter will provide you with valuable information about what the children will be learning during their second term in Primary 3/2. The children will continue to have the opportunity to develop a range of skills and learn about topics suited to their interests through our play-based approach.

I looking forward to continuing our success into the autumn term.

Many thanks, Mrs Cook

### **Outdoor Learning**

This term we will be identifying right angles in our outdoor environment. We will work collaboratively to follow and give oral directions for a route. We will apply our knowledge of movement and direction in different problem solving contexts.

concrete materials, and will build on our problem solving skills using

missing number calculations. We will also practise solving horizontal

Within whole number, we will continue to extend our knowledge of

place value using tens and units to 99. We will develop our ability to

In Mathematics, we will exploring length by measuring in both metres

and centimetres. We will learn to use a metre stick appropriately and

comprehension strategies using PM Reading. We will use our knowledge

Writing - We will up-level our simple sentences to include 'who' and

'where' and will extend, and link, these sentences using simple

connectives such as 'and', 'but' and 'because'. We will further develop

our handwriting skills to ensure our written work is neatly presented

Talking and Listening - We will extend our skills and knowledge of

presenting to a small audience when sharing our learning through play

of sounds to decode words and extend our bank of sight vocabulary.

count forwards and backwards in tens, in particular focusing on

accurately to measure the length and height of objects.

and vertical calculations in our jotter.

sequencing two-digit numbers.

in our jotters.

at the end of each day.

This term we will apply addition and subtraction strategies using

00

During PE lessons, we will further extend our gymnastic skills with a focus on jumps and dismounts. We will also apply our ball techniques within a range of invasion games.

As part of Health and Wellbeing we will look at celebrating our achievements in relation to our learning and the importance of valuing our personal achievements in and out of school.

Reminders

### Library - Friday

P.E. days - Wednesday and Thursday. Children require a gym bag, shorts and gym shoes. Gym bags will then remain in school and will be sent home at the end of each term to be freshened up. Outdoor learning day - Tuesday Seesaw - Please remember to check Seesaw regularly for any classroom updates.
