Health and Wellbeing

Our P.E. days are Tuesday and Thursday.

We will focus on gymnastics, hockey and dance.

As part of our Health and Wellbeing topic we will use Emotion Works to visit the red and green cogs where we will explore emotion behaviours and body sensations. We will also explore a growth mind set and the differences between a growth and fixed mind set. As part of our SHANARRI focus we will continue to discuss and explore the features of a healthy and active lifestyle.

Expressive Arts

Music - We will listen to and discuss the features of traditional Scottish and Australian music.

Art - We will explore the work of a variety of Scottish Artists such as Charles Rennie Mackintosh to incorporate texture, line and tone in our work. We will explore a variety of Australian themed art.

Drama - This term we will be expressing our ideas on cultural diversity through verbal and non-verbal role play.

Numeracy:

The Squares group will explore the 7 and 9 times tables. They will utilise their multiplication facts to help them divide. We will also focus on using a calendar to plan and organise key events and explore estimating and measuring area.

The Circle group will focus on exploring the 7 and 9 times tables. We will also explore multiplication and division of 2 and 3 digit numbers using our 2, 3, 4 and 5 times tables. We will also focus on using a calendar to plan and organise key events.

The Triangle group will focus on recognising quarter to and quarter past on analogue and digital clocks as well as building up our 2 times table facts and using these to help us divide.

RME: We will be exploring the Christian festival of Easter and Holy week. We will discuss and identify different customs and traditions of how Easter is celebrated around the world.

Science/Technology: The children will participate in a variety of S.T.E.M challenges. In ICT we will focus on graphics by inserting shapes and clip art, resizing them and using the scribble tool and ruler.

Literacy

Reading - This term we will continue to explore SHORS reading comprehension strategies. We will also further develop our reading comprehension skills through our novels and PM books.

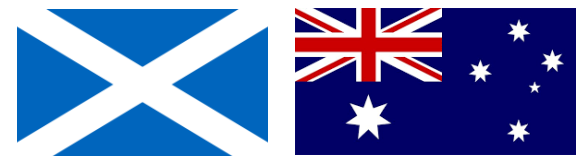

Writing - This term we will be focussing on narrative, procedural and exposition writing through our PM writing.

Talking and Listening - This term we will be focussing on developing our presenting and note taking skills.

Topic

Our topic this term will be a comparative study between Scotland and Australia. We will explore the similarities and differences between culture, landscape and environment. We will also investigate the main features of weather, climate and discuss the impact of this on living things.

Homework

Homework will be issued on SeeSaw. Homework activities will be discussed in class. Outdoor learning will take place weekly on a Friday. Please make sure your child has an appropriate jacket and footwear.

How to Help Your Child- Encourage your child to:

- read a variety of texts
- identify where we use numbers in real life contexts
- discuss their learning
