

Elderbank Primary School

Classbase 10 - Miss Bembom

Term 3 - 2023/2024

Happy New Year to all our families in Classbase 10! We hope everyone had a wonderful Christmas and enjoyed their holiday. Term 3 is going to be very busy for CB10 with lots of seasonal activities and events to take part in including Burns Night, Valentines Day and Easter!

Literacy

In literacy, we will be focusing on letter formation and overwriting. We will be working on our communication skills and using various strategies and resources to encourage this such as digital technology, communication devices, symbols and Makaton.

Numeracy

In Numeracy, we will be exploring time and starting to create links between measurements of time and our daily routines. We will be adding a class calendar to our morning circle routine and learning about days of the week and months of the year. We will also be introducing money and learning to identify coins.

Health and Wellbeing

In Classbase 10, we will be exploring dental hygiene through a class mini topic. We will be continuing to learn about why it is important to clean our teeth and finding out how to keep our teeth in tip top shape! We will also be discovering why it is important to exercise and discover fun ways to stay active. During our community walks, we will be continuing to learn about road safety.
